Matrix Flowcode Sales

Email: keithh534@hotmail.com

Next Steps:

- Create a 'Flowcode Account', all Flowcode users need an account to be able to download and activate Flowcode. If you already have a 'Flowcode account', ignore this step.
- Click here to create your Flowcode Account: <https://www.flowcode.co.uk/accounts/register/>
- Login to your 'Flowcode Account', this can be done here: <https://www.flowcode.co.uk/accounts/login/>
- Attach this Flowcode key to your account, visit this page here: <https://www.flowcode.co.uk/activate/>
- You can now download Flowcode! <https://www.flowcode.co.uk/download/>
- The final step after installing Flowcode is to activate it, if you are online simply type in your 'Flowcode Account' username and password into the pop up screen in Flowcode.

If you have any problems with your Flowcode licensing please fill out the contact form located here: <https://www.flowcode.co.uk/contact/>

Flowcode is a powerful development environment for microcontrollers, there are many tools and resources available to guide users through using this robust and flexible tool.

- [Flowcode wiki](#) - contains hundreds of wiki articles covering every aspect of Flowcode
- [\[https://www.flowcode.co.uk/support\]](https://www.flowcode.co.uk/support)Example files - there are many Flowcode example files available so users can build upon these and apply the lessons to their own projects.
- [Join our forums!](#) - there are many other Flowcode users on our forums, with discussions daily on Flowcode, electronic hardware and many other subjects.
